POCKLEY & RODERICK

This spacious residence offers a world of opportunity with a generous layout and exciting renovation potential. In original condition and with an attractive Victorian street frontage, it features five bedrooms, a vast loft space, a large level block, and rear lane access – a perfect canvas for a modern makeover.

Large, separate living and dining areas offer plenty of space to relax and entertain. The modern kitchen features a big island bench, dishwasher, and enough storage for even the largest family. Arched bay windows fill the front bedrooms with natural sunlight and additional bedrooms feature mirrored built-ins with plenty of storage. Summer BBQs are easy with the large covered entertaining area, adjoining a full-size in-ground pool.
