If convenience, contemporary comforts and secure parking are a priority, this strata townhouse is sure to impress. North facing in a peaceful pocket a stroll from Queens and Centennial Parks, its air conditioned dual level interiors promise a relaxed urban lifestyle with private entry from the street revealing an open plan design flowing to a leafy courtyard. Well presented with one owner since completion 19 years ago, this is a great choice for young families and anyone keen to enjoy the proximity to Frenchmans Rd village shops, Westfield Bondi, local schools and eastern suburbs beaches.
